No. <i>NOR 2</i> 18.04.2019	
ST. PART. 18	

Notification of Intent to Invite Bids – Evenes Air Station, new main building for security

- Norway has prefinanced in NATO a project to construct a new main building for security at Evenes Air Station located in Northern Norway.
- The procurement will be conducted in accordance with NATO procedures for International Competitive Bidding – AC/4-D/2261 (1996 Edition) and Notification of Intent to Invite Bids (NOI) is enclosed this letter.
- The Norwegian Defence Estates Agency (NDEA) acting on behalf of Host Nation Norway, invites the addressees of this letter to distribute the enclosed NOI to firms, which may be interested in participating in the competition. In accordance with the established procedure, interested firms shall be identified through presentation of a valid Declaration of Eligibility document (reference is made to NATO document AC/4-D/2261 – article 5, 6 and Annex V for further information). Please note that the Invitation for Bidding (IFB) will only be issued to those firms where a valid Declaration of Eligibility has been received through diplomatic channels of the firm's country of origin by the date stated in the NOI.

1 Introduction

Norwegian Defence Estates Agency (NDEA) acting on behalf of Host Nation Norway intends to issue an Invitation for Bid (IFB) for the establishment of a contract for the construction of a new main building for security at the Evenes Air Station. The bidding and procurement process will be in accordance with the NATO rules for International Competitive Bidding as laid down in the NATO document AC/4-D/2261 (1996 Edition). The competition will follow the one-step procedure.

This NOI will be published to relevant NATO embassies, NATO delegations and NATO Office of Resources. In addition the NOI will be published on the Norwegian national notification database for public procurement – Doffin. The competition will be open only to firms having place of business in one of the following 29 member nations of NATO: Albania, Belgium, Bulgaria, Canada, Croatia, Czech Republic, Denmark, Estonia, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, Montenegro, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Turkey, United Kingdom and United States of America.

The estimated total cost of the contract is Euro 5 700 000.

The Contract to be entered into with the selected contractor will be based upon the Norwegian Building and Civil Engineering Contract Standard; NS 8405.E:2008, with some minor alterations and amendments. Reference to the contract standard is made to the Attachment of this NOI.

The bids to be submitted must be valid for 180 days.

Prospective milestones for the project are as follows:

Milestones	Date
1. Deadline for expressing interest in receiving the Bid documents by providing the Declaration of Eligibility via their National Authorities in accordance with AC/4-D/2261 (1996 Edition).	20 May 2019
2. Expected date of issuing the IFB	25 June 2019
3. Bid Closing Date	16 August 2019
4. Selection of Contractor	26 September 2019
5. Contract Signature	7 October 2019
6. Start of works at Evenes Air Station	8 October 2019
7. Project Completion	8 December 2020

2 Scope of Project

The Contract to be entered in to, will cover construction of a new main building for security at Evenes Air Station. Evenes is located between the cities of Narvik and Harstad in Northern Norway.

The building will contain all requirements for personnel to ensure the security of the air station. The following areas will be necessary:

- Offices
- Wardrobes
- Garage
- Common area
- Etc.

The scope of work will include:

- Facilitation of building pit
- Foundation
- Main structure; approx. 650 square meters at one level, with all necessary infrastructure

The selected contractor must coordinate his work with other contractors also performing contracts at Evenes Air Station.

3 Language

The IFB to be issued will be in the Norwegian language.

4 Point of Contact

The Point of Contact for the NOI and Bidding Process is:

Name: Norwegian Defence Estates Agency, attention Mr Per Grotte

E-mail: per.grotte@forsvarsbygg.no

Telephone no: +47 9593 6550

5 Declaration of Eligibility Due Date

Interested firms must be declared eligible by means of a *Declaration of Eligibility* as defined by the NATO Document AC/4-D/2261 (1996 Edition). The Declaration of Eligibility must be issued by a responsible authority of the government of the potential contractor's country of origin or by another authority designated for this purpose.

NATO UNCLASSIFIED

NORWEGIAN DEFENCE ESTATES AGENCY

Declarations of Eligibility, in English or Norwegian language, must be presented to the Point of Contract - reference is made to paragraph 4 above - no later than 20 May 2019 12:00 Central European Time.

6 Security Requirements**6.1 During the Bidding Phase**

The IFB to be issued will be NATO classified, thus security restrictions will apply.

6.2 During the Performance of the Contract

The project will be performed inside a military compound where security restrictions will apply. All workers involved in the performance of the contract at site must therefore be in position to be authorised up to security level NATO RESTRICTED, as a minimum.
